

NEW JERSEY SITE REMEDIATION CONFERENCE

APRIL 3 & 4, 2024
HYATT REGENCY
NEW BRUNSWICK

Welcome to LSRPA's 2024 New Jersey Site Remediation Conference!

It's hard to believe that the LSRPA will turn 15 this year. I'm amazed when I look around and see what we've accomplished together – we've created one of the strongest and most impactful professional organizations in the state. Our events bring people together, our classes impart knowledge, and our meetings with regulators and other aligned organizations offer understanding, the exchange of ideas, and the ability to advance concerns with respect to site remediation and the LSRP profession.

The Site Remediation Conference does all of this and more. It has become a significant forum for networking with peers and sponsors, meeting our regulators, and staying up to date on the latest remediation issues and technology. Our dedicated staff and volunteers have been working hard to prepare this year's conference. Based on some great suggestions, we've added new content that we hope you'll benefit from.

LSRPA is pleased to offer two new courses, which are the first approved for LSRP professional development credits – *Managing Remediation and Environmental Issues in Complex Transactions* and *Using Artificial Intelligence in Site Remediation*. Both courses may be used as part of the nine "discretionary" credits required for license renewal.

In addition, we secured continuing education credits for our perennial series of NJDEP Topical Presentations. Finally, the Site Remediation Conference would not be complete without a PFAS update course. This year, instructors for the course will include not only our knowledgeable industry professionals, but also representatives from the EPA and NJDEP. As always, we continue to offer a robust complement of continuing education credits for a diverse group of professionals including LSRPs, PEs, PGs and attorneys. I hope you'll find something to pique your interest.

It is the highest honor of my professional career to serve as the President of the LSRPA for 2024. This year, we will continue to engage with the NJDEP in meaningful ways – helping to shape policy and improve the LSRP Program. We will continue to offer you opportunities to interact with your peers, our sponsors, and regulators. Behind the scenes, we will also continue to improve our own internal bylaws, procedures, and committees. I have no doubt we'll accomplish all of this and more with your help.

As President, I want to hear from you over the course of the next year. Feel free to reach out to me with any questions or comments you might have regarding LSRPA business. I can be reached by phone and email, or you can raise issues at our bimonthly Steering Committee meetings (the next one is on May 14th).

On behalf of our executive team, trustees, sponsors, committee volunteers, and professional staff, thank you for attending the conference. We truly appreciate your continued support.

Sincerely,

Candace Baker, LSRP
President, Licensed Site Remediation Professionals Association
CRBaker@geiconsultants.com 973.873.7126

Welcome to the 2024 New Jersey Site Remediation Conference (NJSRC)! On behalf of the LSRPA, we are excited to welcome you to the NJSRC. This year's conference will be another exceptional event featuring new content, valuable insights, and networking opportunities.

As always, the NJSRC aims to deliver outstanding experiences for LSRPs, guests, vendors, and allied professionals. This year's Conference will feature 12 continuing education courses, four evolving remediation topic discussions, and four NJDEP topical presentations. You can expect a wealth of timely information to enrich your professional expertise.

On Wednesday, NJDEP Assistant Commissioner David E. Haymes will provide opening remarks. NJDEP personnel and industry partners will be available in the afternoon for informal discussions. Enjoy great food, drinks, and networking opportunities at the reception in the evening. On Thursday, you'll hear from a panel of past Presidents of the LSRPA during the plated lunch.

We sincerely appreciate your decision to attend the 2024 NJSRC. The NJSRC Committee, comprising dedicated LSRPA members and staff, has worked with determination to produce this year's program. We thank the LSRPA's Continuing Education, Marketing, and Communications Committees for their support and collaboration, and the instructors and presenters who volunteered their time. We are confident this Conference will provide exceptional value for your professional growth.

Finally, we would like to express our sincere gratitude to our generous sponsors and exhibitors, whose contributions make this event possible.

Once again, welcome to the 2024 NJSRC! We look forward to your participation and the opportunity to connect with you in person. Together, let's make this conference a remarkable event that fosters knowledge exchange, collaboration, and advancement in site remediation in New Jersey.

Wednesday Highlights

Extended Exhibit Hall Hours

Atrium & Regency DEF

The Exhibit Hall opens at 8:30am on Wednesday and goes until the end of the reception at 8:00pm. Thursday the exhibitors will be open for buffet breakfast at 8am and go until the wrap up concludes at 2:00pm.

Shared Workspace

Conference I

We also have added a new feature at the conference this year, shared workspace. We are offering attendees a quieter space on the 2nd floor in Conference I where you can work or have a one-on-one conversation with a colleague.

Welcome and Opening Remarks

8:30am, Regency ABC

Welcoming attendees to the Conference will be LSRPA's Executive Director, Janice Brogle, along with Candace Baker, LSRPA's President. Opening remarks will be presented by New Jersey Department of Environmental Protection, Contaminated Site Remediation and Redevelopment (CSRR) Assistant Commissioner David E. Haymes, who will provide important updates on the Remediation Process Improvement Initiative (RPII) launched in 2023. This significant and collaborative undertaking by CSRR, LSRPs, the regulated community, and other interested stakeholders has focused on multilateral remediation processes and communication improvements as its primary goal. Learn of great progress and implementation efforts!

NJDEP Topical Presentations

9:00am, Regency ABC

Kick off the NJSRC by attending the NJDEP Topical Presentations, where you will learn about important NJDEP initiatives and earn continuing education credits (\$50 certificate fee for full or partial CECs). Assistant Commissioner David E. Haymes will provide an overview of the newly reestablished Technical Review Panel process; Remedial Action Permit Supervisor Robert Hawke will review the remedial action permit initiatives and progress; Geologist Ryan Morford will present on Classification Exception Areas proposals; and Bureau Chief Atwood Davis will discuss document submittals' inspection and review process. In addition, these presenters and Supervisor, Ray Pinkstone, will be at the Meet the Regulators table in the afternoon 12:30pm-4:00pm.

Industry Partner Meet & Greet Tables

12:30pm, Atrium

New this year on Day 1 we will have industry partners at meet and greet tables in the Atrium from 12:30pm-4:00pm, please visit their tables and see what these great organizations have to offer. New Jersey Business & Industry Association (NJBIA), New Jersey Chapter of NAIOP, the Commercial Real Estate Development Association, and Commerce and Industry Association of New Jersey (CIANJ), as well as the New York - Philadelphia Chapter of the Association of Environmental & Engineering Geologists (AEG) will be there. And our LSRPA Foundation will also have a table to greet you.

Boxed Lunch To Go

12:00pm, Foyer & Exhibit Halls

This year, the boxed lunch to go for all attendees on Wednesday is sponsored by our Diamond and Master Sponsors. There will be tables in the foyer and throughout both exhibit halls with plenty of space to network, meet the exhibitors, or get some work done.

Evolving Remediation Topics

2:00pm, Salon AB

Four powerful Evolving Remediation Topics will be presented for all conference attendees (included with conference pass; no credits.) The topics include: 1. Comparison of PFAS Destruction Technologies Depending on Media and Client Requirements (Jishnu Ashikari and Rocco Mercuri). 2. Leveraging Treatability Studies for Successful Site Remediation (Amita Oka, Ph.D) 3. Maintaining Safe Ambient Air Levels During Site Remediations While Minimizing LSRP Liability: Two Sides of the Same Coin (Timothy Minnich and Robert Scotto) and 4. Terrestrial Rapid BioAssessment (Blaine Rothausser).

Welcome Reception

5:30pm, Atrium & Regency DEF

The NJSRC Reception will be from 5:30pm-8:00pm. Join us in the two exhibit halls, Atrium and Regency DEF, with an abundance of food and two drink tickets provided in your name badge holder. We thank Puharic and Associates, Inc for sponsoring this reception!

Also, during the reception at around 7:30pm we will gather in Regency DEF to see the Cornhole Challenge & Putting Contest. Volunteers will be solicited from the conference audience for a chance to participate in the putting and cornhole contests to win a voucher for a \$50 discount to the 2024 golf or cornhole event! The 2024 Battle of the Bands Networking and Scholarship Fundraiser is scheduled for Thursday May 9, 2024 at Martell's Tiki Bar. The 3rd Annual LSRPA Battle at the Beach Cornhole Tournament will be on Tuesday August 6, 2024, at Martell's Tiki Bar, and the golf tournament location and date in October is to be determined.

Thursday Highlights

Breakfast

8:00am, Foyer, Atrium & Regency DEF

Join us for buffet breakfast while looking through this program book to learn of all the day's activities and amenities including more quality continuing education courses; visiting with exhibitors (especially the participating passport exhibitor); gathering information from our partners in environmental remediation; and meeting with colleagues, peers, clients, service providers. We thank ENR Contracting for sponsoring the Breakfast; visit their table during this event.

Plated Lunch

12:00pm, Regency ABC & Foyer

Panel Discussion

Did you know the LSRPA is observing a MILESTONE this year? We are celebrating 15 years and going strong! Please join us on Day 2 for this luncheon panel discussion as we hear from a panel of our past presidents about the inception and growth of the LSRPA, its past achievements and future potential. Ken Goldstein, Mark Fisher, Rodger Ferguson, and David Morris will share their experiences and insights. These individuals served over the span of 15 years.

Master Sponsor: Princeton Geoscience, Inc.

LSRPs and other remediation practitioners rely on Princeton Geoscience, Inc., to help light their path to remediation success. They bring specialized knowledge of site characterization science and technology to aid you in understanding your site, offering a range of Decision-Support Services, including borehole geophysics, aquifer system structural evaluation, rock matrix VOC screening and sampling, hydraulic connectivity assessment, and more.

As the Master Sponsor of NJ LSRPA's NJ Site Remediation Conference, Princeton Geoscience's Jim Peterson, PG, LSRP, will share their commitment to supporting the efforts of their consulting industry colleagues to make informed, defensible decisions as they remediate sites and protect public safety, human health and the environment. Visit them on the web at: www.princetongeoscience.com

We thank Arcadis US, Inc. for sponsoring this lunch. Dessert & Coffee Reception in Exhibit Halls at 1:15pm.

Exhibitor Passport Drawing 1:45pm in Atrium. Someone will win a \$300 Mastercard Gift Card!

Continuing Education Course Selection

Wednesday April 3, 2024

- **NJDEP Topical Presentations (9:00am - 11:30am) – Regency A & B. Presenters: David E. Haymes, Robert Hawke, Ryan Morford and Atwood Davis. Credits: LSRP: 1.0 Technical and 1.0 Regulatory CECs | NJ Attorney: 2.4 CLEs | NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**
- **Ethics for Site Remediation Professionals (9:00am – 12:15pm) – Garden State Ballroom. Instructors: Lawra Dodge, Allison Gabala and Marlene Lindhardt. Credits: LSRP: 3.0 Ethics CECs | NJ Attorney: 3.6 CLEs | NJ PE: 3.0 CPCs | NY PE and PG: 1.0 Ethics and 2.0 PDHs**
- **Calculating Alternative Remediation Standards for the Ingestion-Dermal and Inhalation Exposure Routes (10:00am - 12:00pm) –Salon AB (2nd Fl). Instructors: Benjamin Zee and Kevin Long. Credits: LSRP: 1.5 Technical 0.5 Regulatory CECs | NJ Attorney: 2.4 CLEs | NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**
- **Using Artificial Intelligence in Site Remediation (1:30pm - 3:00pm) – Garden State Ballroom. Instructors: Inga Caldwell, Heather Demijiarn, Justin Kowaloski and Sara Redding. Credits: LSRP: 1.5 Professional Development CECs | NJ Attorney: 1.8 CLEs | NJ PE: 1.5 CPCs | NY PE and PG: 1.5 PDHs**
- **Regulatory Compliance Strategies for Tentatively Identified Compounds (1:30pm - 3:00pm) – Regency A & B. Instructors: Candace Baker, Jeff Moore and Mark Fisher. Credits: LSRP: 1.5 Regulatory CECs | NJ Attorney: 1.8 CLEs | NJ PE: 1.5 CPCs | NY PE and PG: 1.5 PDHs**
- **PFAS Updates from Regulators and Practitioners: Challenges of Navigating the Ever-Evolving Landscape (3:15pm – 5:15pm) Regency A & B. Instructors: Caryn Barnes, Jillian Terhune, Susan Rosenwinkle and Virginia Wong. Credits: LSRP: 1.0 Technical and 1.0 Regulatory CECs | NJ Attorney: 2.4 CLEs | NJ PE: 2.0 CPCs | NY Pes and PG: 2.0 PDHs**
- **Understanding and Accounting for Geogenic Contaminants (3:15pm – 5:15pm) – Garden State Ballroom. Instructors: James Peterson and Steven Spayd. Credits: LSRP: 2.0 Technical CECs | NJ Attorney: 2.4 CLEs | NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**

Continuing Education Course Selection

Thursday, April 4, 2024

- **Managing Remediation and Environmental Issues in Complex Transactions (9:15am – 11:15am) – Garden State Ballroom. Instructors: Alan Arico, David Miller and Marc Policastro. Credits: LSRP: 2.0 Professional Development | NJ Attorney: 2.4 CLEs | NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**
- **Effective Characterization and Application of Injection Based In Situ Methods in Bedrock Key Principles and Case Studies (9:15am - 11:15am) – Conference B/C (2nd FI). Instructors: Bill Brab, Derek Pizarro, Jim Peterson and Tim Hull. Credits: LSRP: 2.0 Technical CECs | NJ Attorney: 2.4 CLEs| NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**
- **Navigating Land Use Laws (9:15am - 11:15am) – Salon AB (2nd FI). Instructors: Jeffrey Entin, Robert Baranowski and Rod Richie. Credits: LSRP: 2.0 Regulatory CECs | NJ Attorneys: 2.4 CLEs | NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**
- **The Intersect Between Site Remediation and Renewable Energy Development: What Environmental Practitioners Need to Know (2:00pm – 4:00pm) – Garden State Ballroom. Instructors: Caitie Cyrus, Colleen Kokas, Ed Putnam, Matthew Karmel and Rodger Ferguson. Credits: LSRP: 2.0 Regulatory | NJ Attorney: 2.4 CLEs| NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs.**
- **Site Specific Factors to Consider While Selecting an ISCO or an ISCR Approach (2:00pm – 4:00pm) – Salon AB (2nd FI). Instructors: Fayaz Lakhwala and Matthew Sweet. Credits: LSRP: 2.0 Technical CECs | NJ Attorney: 2.4 CLEs| NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDH**
- **Perimeter Air Monitoring Technical Guidance Review and Application (2:00pm – 4:00pm) – Conference B/C (2nd FI). Instructors: Deborah Barsotti, Keith Savel and Matthew Decker. Credits: LSRP: 2.0 Regulatory CECs |NJ Attorneys: 2.4 CLEs | NJ PE: 2.0 CPCs | NY PE and PG: 2.0 PDHs**

CONTINUING EDUCATION CREDITS (CECs): SIGN IN/SIGN OUT – A QR code system to accurately track and verify attendance for continuing education credits. Each course session will have a unique QR code displayed at the entrance. To earn CECs everyone must ensure to sign in and out through the proper QR code. For any course, when someone signs in more than 15 minutes late or signs out more than 15 minutes before the end of the course, we will inform them of the amount of the credit that will be deducted, and the certificates issued will include the lower CECs.

CERTIFICATES OF ATTENDANCE will be verified through the QR code system and provided electronically via email within two weeks following the NJSRC. If anyone has issues with the QR code sign in/sign out or needs a certificate of attendance sooner, please see Tina Layre while at the conference or contact her at tlayre@lsrpa.org

Elmeryl Davies Memorial Scholarship Recipients

The LSRPA congratulates seven student recipients of the Elmeryl Davies Memorial Scholarship

The scholarships are awarded through the LSRPA Foundation to students who intend to pursue careers in environmental consulting in New Jersey or whose research will benefit the practice. For 2023, the recipients include five undergraduates, and two Ph. D. candidates. Full-time students received a \$5,000 scholarship, and part-time students received a \$3,000 scholarship.

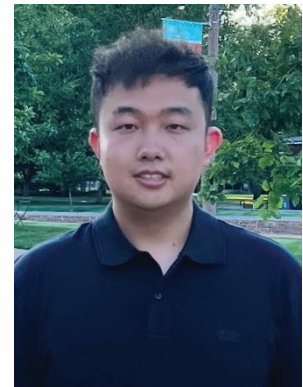

Dylan Harrison
Rutgers University
Senior

Bruno Bezerra de Souza
