ΤΟΡΙϹ	DISCUSSION	ACTION ITEMS
PRESIDENT'S REPORT –	9/6/22 Executive Committee recap (Morris). Will	
D. Morris	start recording specific action items in the	
	record discussed at the Executive Committee	
	Meeting. Last meeting focused mainly on the	
	policy of respect.	
	Recusal, how to do it? Not just abstaining from	
	a vote but not steering the process.	
	There will be trainings setup on what we do and	
	how to do it.	
	Amicus lawsuit LSRPA was asked to join. What	
	does that mean if the association gets involved.	
	Policy guidelines for continuing education	
	presenters' content and timing. Regularly look	
	at the website for upcoming courses and discuss	
	if needed if there might be an overlap.	
	Three-year insurance renewal is coming up in	
	the new year (cyber insurance will be added).	
	Training will be provided to the BOT to	
	understand what the insurance is all about and	
	how it is triggered. Training will be annual.	
	Sponsor attendees list. Sponsors have been	
	requesting to see attendee list. This will be	
	discussed at a future meeting.	
	Contract reviews by council. It will continue and	
	will be using the policy document. Contract	
	with council will be updated with price cap.	
	BOT votes will be conducted in person or via	
	Teams.	
	What can all of the electronic data collected by

TOPIC	DISCUSSION	ACTION ITEMS
D. Morris	Contract with a member firm for Executive	
	Director services. Does the association want an	
	Executive Director that is a licensed and	
	practicing LSRP?	
D. Morris	• 2019 Policy Concerning Respect for Other	
	Members.	
	There was a report from the President	
	concerning an intra-BOT email that contained	
	both objectionable language and useful	
	information on a subject before the BOT.	
	Subsequent emails regarding concepts,	
	conflicts, and other items while seeking the new	
	Executive Director were exchanged. It was	
	recognized by all that way the email was	
	presented was not in the spirt of LSRPA policy.	
	Responses from the BOT varied.	
	The objectionable language is the only issue	
	being addressed. President Morris and Executive	
	Director Boyle had a call with the originator and	
	recipient where the originator provided a	
	summary of their actions, discussions, and	
	thoughts on the situation. The originator heard	
	the concerns and the need resolve the issue. The	
	originator expressed regret with his fast action	
	and has felt distress and concern about the	
	issue since it occurred. As a result, the recipient	
	was added to the call and the originator	
	apologized. The apology was sincere, the	
	originator admitted he was wrong how he did	
	not exercise restraint. The recipient graciously	
	accepted the apology and shared that the	
	procedural concerns were raised for the	
	collective benefit of the association (not	
	intended to throw a cat among the pigeons).	
	Call concluded on good terms and cleared the	
	air. Both parties consider this matter closed.	
	Training and guidance on how to conduct future	
	business. Matter considered closed.	
D. Morris	Sue Boyle received recognition from BCONE and	
	the Northeast Sustainable Communities	
	Workshop. Sue received the Geoffrey R. Forrest	
	Award for being an Outstanding Individual.
