Topic	Discussion	Action Items
PRESIDENT'S REPORT	Attended South Jersey Chamber of	
	Commerce meeting with S. Boyle and	
	discussed SRRA 2.0	
	SRAG Update - UHOT/ARRCS Tech rule will be	
	sent to OAL by July 17th and published in the	
	2nd Register in August. Do not know what	
	will be included. Remediation standards may	
	be proposed in August.	
	SRAG Meeting - J. McGregor spoke on SRRA	
	2.0. 11,000 RAOS and 3% withdrawal rate.	
	Sana Qureshi gave tech reg. update. Bureau	
	Chief of Recycling and Hazardous Waste	
	spoke on soil reuse. Solid Waste Rule citation	
	- if it is soil, even contaminated soil, an LSRP	
	can approve reuse on SRP site without Solid	
	Waste approval. Burden of proof on whether	
	or not it is solid waste is on the RP or LSRP.	
	Final rule as published only shows what is	
	changed from proposal version.	
	Data Miner presentation - Myrna Harris and	Dates and language problematic and cannot find
	others spoke on timeframes and activity	violation om NJEMSs. Concern by DEP that decisions
	tracking in Data Miner	are made based on incorrect dates
	DEP Restructure Comprehensive Report and	DEP unable to find violations. Concern decisions are
	Activity Timeframe Report.	being made using incorrect dates. Restructuring both
	Compliance averaging discussed using 9	TERRITS
	samples.	
	DEP wants to reorganize the ECO group	
	(either In SR or NRD. Should Association	
	propose someone for the group?	
	Disagreement on the white papers submitted	
	by the Association and industry.	
EXECUTIVE DIRECTOR'S REPORT	Policy № 1: LSRPA Expense Policy -	Post to Web-Site
	developed for use by Committees. Approved.	

	Use of LSRPA logo - when someone uses the logo, It could be interpreted as an endorsement	Back to Governance for policy including proper use and ramifications of misuse.
Policy	Policy № 2: Board of Trustees serving as instructors for Continuing Education courses.	Motion moved and seconded. Question by Scott Drew - is registration and payment for the course necessary? Could credit be used during your renewal period. S. Boyle will rewrite including certificate will be issued and credit can be used when needed. Vote as amended resulted in all in favor, no opposition or
	Policy № 3: Member Attendee Information Confidentiality was moved and seconded.	All in favor, no opposition or abstentions.
	Policy № 4: Photocopying. Moved and seconded	All in favor, no opposition or abstentions
	Policy № 5: BOT Representative and Other Conflicts: Moved and seconded	All in favor, no opposition or abstentions.
SECRETARY'S REPORT	Spoke with T. Russo to get agenda and presentation from EBC meeting for posting on the Members Only section of the website	
TREASURER'S REPORT	No report. First meeting of the Finance Committee, which is chaired by Drew Bonas.	
CONTINUING EDUCATION COMMITTEE	Exam Prep course scheduled for September 5th. Seven speakers committed and two more needed (Eco Eval. and PASI)	C. Barnes may have someone from her office and D. Morris will cover PASI.
	Classes have been scheduled for remainder of the year. Updated spreadsheet	Ethics in September, Due Diligence in October and PeroxyChem course in November. Synthetic Sheet Piling & Perimeter Air Monitoring classes under development.
	Discussed course needs for January conference	Number of sponsors who want to create courses. Kudos to George Nichols for helping to create courses and receiving 100% approval rate.
SITE REMEDIATION CONFERENCE COMMITTEE	Draft budget and schedule submitted to Board and contract will be circulated. BOT will reconvene shortly to move them	
REGULATORY OUTREACH COMMITTEE	Guidance documents update. Field sampling procedure manual group meeting at least	
	Air monitoring is a new document. Issue brought up in Committee is the interplay of National Contingency Plan to NJ Regulations. Are we adhering to applicable rules and guidance included in National Contingency Plan. What is the intersection of Federal and State rules and SR format.	Legal and Legislative Committee to review
	SRAG meeting: current schedule. Soil, Offsite, MNA - no major changes, but trying to adhere to our recommendations.	
	Fall schedule - reconvening Attainment, Linear Construction and 2 others.	Are there any topics we want reconvened?
	Legacy landfill rule needs improvement. Capping for VOC is pending. S. Posten's VOC document is complete and sent to Sana and	Internal stakeholder group was reconvened.
	D. Havmes for review Revised and improved IGW documents,	
	including more flexibility. Soil remediation standards proposed.	
	Documents based on groundwater quality are being revised.	

successes because of the program, include RAO's on Our focus must be prioritizing our top four objectives; responding to issues of DEP and the Licensian Roard Discussed whether to hire a lobby firm.
